

Bristol Area Quaker Meeting

Business Meeting held at Central Meeting House March 25th at 3.00 pm

17/33 Charitable Incorporated Organisation. Further to minute 16/74 when we accepted that we should move towards incorporation, the Clerk to our Trustees, Roger Sturge, has reported on the progress Trustees have made. Trustees are proposing that we follow the structure agreed between the Yearly Meeting Stewardship Committee and the Charity Commission. Trustees do not believe it will affect the substance of our current governing document. Roger Sturge will send each local Meeting Clerk the constitution they now propose, the existing governing document and full information to give each local meeting the opportunity to comment if they wish in time for Area Meeting in May. We then expect to discuss this and probably agree it at our Area Meeting in May. We now agree to proceed in accordance with the attached timeline.
