

GETTING INVOLVED in the work of REDLAND QUAKER MEETING

Serving the meeting

Listed below is a range of the general activities in which we engage as a Quaker meeting, through our four 'Hubs' of *Faith Community, Learning & Action, Resources, and Administration*. If you feel you may be able to serve the meeting in some capacity, enter a number 1-5 in one or more of the 'input' boxes. Serving the meeting, like supporting it financially, helps us round out our Quakerism in practical expression.

In the form, use 1 for occasional or limited contribution, 3 for regular commitment, 5 for willing to share lead in... Every Hub needs a few 'regulars' who can get to most Hub meetings (every one or two months) and assume responsibility for some aspect of the Hub's work. They will be appointed to serve for two-year stints in the Hub. People who can't at the moment make that level of commitment are still most welcome to assist in minor or occasional tasks. If you are interested but not sure how much you can contribute, put a 1 in the box to get on the mailing list, and join in as you are able.

There are two extra rows for you to suggest additional activities. We will add the information you provide to our 'Pool' database, which tells us who might be willing to do what. Thanks for your offers - all contributions are very welcome!
